SO YOU CAN PICK THESE UP AT THE SHOW.**

We have heard some questions about Michigan and lighthouses!
Did you know Michigan has more lighthouses than any other state? There are 70 lighthouses that have been built in Michigan. The next closest state, Maine, has 60. Michigan is nearly surrounded by the Great Lakes, being the only state touching 4 of the 5 lakes.

Hopefully you will find the time before or after the National to visit some of our wonderful scenery, many of the lovely lake-shores, and tour some of the beautiful lighthouses.

All items will have the logo, embroidered in color.
